

WHAT IS THE TIMED PROGRAM?

Louisiana's **TIMED** Program is improving roads, building bridges and creating jobs all across Louisiana.

More than 500 miles of highways are being widened to four lanes, bringing new job opportunities and business growth to Louisiana communities. Take a look at the construction on U.S. 171, U.S. 167 and U.S. 165 for example - you will see

Louisiana tax dollars at work while employing Louisiana workers. Interested in a job in construction or engineering? E-mail us at info@latimedmgrs.com to learn more about exciting opportunities created by the **TIMED** Program.

Louisiana's **TIMED** Program is a \$4.7 billion investment in transportation and is proud to also invest in education and awareness programs, including "TIMED 2 Drive Safe."
