**MEDIA ALERT: TRAFFIC ADVISORY**  
**Two One-Hour Closures Scheduled For Tomorrow On Both Westbound Lanes**

ELMWOOD, La. – Two one-hour closures are scheduled for tomorrow, December 10 between 9 a.m. and 3 p.m. on both westbound lanes of the Huey P. Long Bridge. The closures are needed to install two truss members on the West Bank Anchor Span. Due to these closures; the regular one-lane closure on the westbound side of the bridge will be cancelled. Motorists are advised to take alternate routes like Crescent City Connection and I-310. To get the most up-to-date bridge status information, motorist can call (504) 731-4200, go to [www.hueypbridge.com](http://www.hueypbridge.com) or check out the Huey P. Long Bridge Widening Project's Twitter page.

The Huey P. Long Bridge Widening Project is a TIMED (Transportation Infrastructure Model for Economic Development) Program project. The TIMED Program was created by Act 16 of the 1989 Louisiana Legislature, was voted for by the people and is the single largest transportation program in state history. The \$5.2 billion improvement program includes widening 536 miles of state highways, new construction or improvements to three major bridges projects and the improvements to both the Port of New Orleans and the Louis Armstrong International Airport. The Program is designed to enhance economic development in Louisiana through an investment in transportation projects.

As one of 16 TIMED projects, the completed Huey P. Long Bridge Widening Project will include three 11-foot lanes in each direction, along with new inside and outside shoulders across the bridge. The
